

**MAXIMUM**  
ESCAPE

# CORPORATE EVENT

IN MOST ORIGINAL AND  
HIGH-TECH ESCAPE ROOMS

## We make much more than just escape rooms

Escape Rooms is a new game in which players cooperatively discover clues, solve puzzles and accomplish tasks, in one or more rooms in order to progress and accomplish a specific goal in a limited amount of time.

Events organized by Maximum Escape can surprise anyone. You will get an opportunity not only to participate in one of the most original and high-tech escape rooms, but also enjoy other services by Maximum that will surely make you remember the event for a long time. 48 players can start playing simultaneously and everyone will feel like a main character in our atmospheric quests.

## Business meetings and parties

We have a space designed specially for business meetings, birthdays parties and more. It also includes modular tables, audio system and the perfect natural lighting that will create the perfect environment for every event

# What we can offer

## CONFERENCE ROOM

It is perfect to have an analytical session with the coach or just a branch or coffee with colleagues after the games. Suitable for 60 to 70 people.

## ZONE BRANDING

We can brand the conference zone as per your requirements so that you could have an effective photo session and feel yourself a little bit like at home.

## COACHING

Our partnering coaches have developed a special program for improving personal skills based on the analysis of the players behavior while escaping the room.

# What we can offer

## PHOTOSHOOT

We are collaborating with professional photographers that would make an outstanding photo session of your event at Maximum.
